

CSS LOGIN Form

Tuesday, 08.05.2018

Subject, ***Web Technology***
Chapter, ***CSS (Cascading Style Sheet)***
Topic, ***Login Form***

Q1. Create an HTML Login page as shown in the image below and can be viewed online through the provided link.

The image shows a login form centered on a solid blue background. The form is a white rectangle with rounded corners. At the top center of the form is a black circular icon containing a white silhouette of a person's head and shoulders. Below the icon, the text "STUDENT LOGIN" is written in a bold, black, sans-serif font. Underneath this text are two text input fields, each with a light blue border and a small blue outline. The first input field is labeled "Enter User Name" and the second is labeled "Enter Password". At the bottom center of the form is a blue rectangular button with the word "LOGIN" in white, uppercase, sans-serif font.
